

Application Form

infosyon RECOGNIZED MODULE

For recognized modules for training in System Constellations for Organisations according to the infosyon quality standards

1. Information Programme Holder*, Personal Details

First and surname	
Name of organisation	
Type of organisation (if not included in the name)	
Street and nr.	
Country / postcode / town	
Telephone nr.	
Mobile	
E-Mail	
Website	
Infosyon member since	

* **Programme holder = offers modular programmes, must be a member of infosyon**

2. Module

Programme holders can submit more than one module for recognition by infosyon. To submit more than one module, please copy this page as often as necessary and fill out accordingly. One page per module.

Title / Name of the module	
Content of the module in bullet points:	
Trainer Please state title, certification, qualifications and training time within the module.	
Duration in days (1 day = 7 hours)	

3. Commitment

- In the role of the program holder, I am responsible for the legitimate use of the "recognized infosyon module" seal which I will use only on those modules that have been submitted and recognized accordingly.
- I will use the seal "recognized infosyon module" exclusively in my advertisements, but not on the certificate which I issue to my participants, in order to avoid confusion with other infosyon certifications. I will adopt the given infosyon approved wording for the module's certificate of completion.
- As program holder I am responsible to inform the respective trainers and participants that the seal "recognized infosyon module" is not a certification, but a recognition of the high quality standards of the respective module by infosyon, as an international association for System Constellations in organizational and professional contexts.
